1999 – 2000**SynTechniki S.A.**

External collaborator, Supervision of construction sites, Financial monitoring of projects.

1998**K.E.D.E. (Central Laboratory of Public Works)**

Trainee, Laboratory testing of structural materials and soils.

Educational Background / Qualifications

1994-2000
Civil Engineering Diploma
School of Civil Engineering
Structural Engineering Department
National Technical University of Athens (NTUA)
Graduation Classification: Distinction, GPA: 6.89

Languages

English
First Certificate in English (FCE), University of Cambridge

Computer Skills

Operating Systems :
Windows, linux (Debian - Ubuntu distribution).
Applications :
Excellent knowledge MS Office (Word, Excel, PowerPoint), OpenOffice.
CAD Software :
AutoCAD
Structural Analysis Software :
ETABS, e-TOOLS, SAP , SAFE , WinStrand, Scada, INSTANT

Publications

7th National Conference on Metal Constructions
September 29, 30 & October 1, 2011
Volos - Thessaly Conference Center
"Steel Structures of the New 2nd Floor in the Existing Office Building of Notos.Com AEEV in Nea Kifisia"
F. Zoulas, G. Kartsakis, A. Zografos

Papers/Research

Thesis:
"Calculation of Steel Sections with Cross and Longitudinal Reinforcements according to EC3 - Part 1.5" (*includes the development of a computer program for solving steel section reinforcements based on EC3 - Part 1.5*)

Courses:
9th semester of Civil Engineering (Structural Engineering)
Environmental Geotechnics: "Management of Hazardous Waste"

7th semester of Civil Engineering (Structural Engineering)
Construction Safety: "Occupational Skin Diseases"

7th semester of Civil Engineering (Structural Engineering)
Technological Application: "Laboratory Testing of Materials and Classification"

Interests

Science and Technology, Music, Theater, Cinema, Sports
